Excused: Mary Ellen Balchunis, Gerald Ballough, Janice Beitz, Steve Longo, Lynn Miller, Scott Stickel

Approval of Minutes of November 14, 2006

The minutes of the meeting of November 14, 2006 were approved.

Committee Appointment: Blue Ribbon Committee on Faculty Salary Practices (Executive Session)

James Smithers is on sabbatical leave in spring, 2007, and will be unable to attend these meetings during that time. It was decided to seek an interim substitute, who would serve until Dr. Smithers' return to the Committee. The Senate agreed upon a candidate, whom President Paulin will ask to represent faculty until the return of Dr. Smithers.

Planning Advisory Board

President Paulin reported on the second meeting of the Planning Advisory Board which occurred on December 5, 2006. Members of the PAB were told that the University Board of Trustees will be looking for a report from the group at their planning retreat in May, 2007. The report needs to identify key issues on which the PAB believes the Board of Trustees should focus. In other words, the report should specify what the PAB wants the Board to raise money for and why. The remainder of the meeting consisted of a discussion of issues that committee members believe require additional resources. At the end of the meeting committee members were asked to create a charge for the following seven rubrics "that summarize thinking about going forward with the Strategic Plan": mission integration, enrollment management, student success/experience, learning environment, neighborhood investment, human resources, and resource acquisition and development.

Intellectual Property Rights

President Paulin reported on the open forum for faculty on the draft intellectual property rights document that was held in November. A new draft that incorporates some minor recommendations from that meeting is now being reviewed by University counsel. If there are any significant changes, the policy will come back to Faculty Senate before going on to University Council.

Academic Integrity Policy

The Academic Affairs Committee will review this draft policy and then the policy will come back to Faculty Senate for review before going on to University Council.

Avian Flu Task Force

## Meeting Minutes

President Paulin reported that two letters will be going out from the President—one to the faculty and staff and one to students. A meeting will be convened regarding travel study courses. Specifically, it is important to have communication channels between travel study faculty and the University established, in regard to how to best ensure the safe return of traveling students and faculty in the event of an outbreak of Avian Flu. The City of Philadelphia Health Department has been consulted. No one can predict the likelihood of an outbreak of Avian Flu, but the University is taking this opportunity to review its emergency plan for this and other possible contingencies.

### Mid-Year Evaluation

President Paulin asked for a review of the work of the Senate committees that were recently established to examine the grievance policy, the non-tenure track renewable contract, the personnel manual, and governance. There was discussion regarding how the grievance committee should proceed, given the confidentiality of the grievance process. It was determined that the committee can speak with various people on campus, including members of the Mediation Committee, University administrators, and faculty. Discussions will be at a policy level and will not breach confidentiality of any specific grievances.

Lynne Texter, chair of the non-tenure track renewable contract committee, stated that the committee has met, and will have recommendations by the end of the academic year.

The governance committee will be convened by David Falcone. This committee will look at respective responsibilities of Deans and other administrators, and faculty.

The personnel manual committee plans to start with the employee handbook and examine policies in regard to faculty. Their report will include recommendations for review of any policies that have a lack of clarity for faculty.

The next meeting of the Faculty Senate is January 18, 2007 from 12:30-1:50 p.m. in the McShain Board Room.

Minutes Respectfully Submitted by Bonni H. Zetick  
Secretary, Faculty Senate

With the exception of executive sessions, all Senate meetings are open to all faculty members. Please feel free to bring your lunch. Refreshments will be available throughout the meeting.

The following are members of the Faculty Senate for the 2006-2007 academic year: Marjorie Allen, Mary Ellen Balchunis, Gerald Ballough, Janice Beitz, Marianne Dainton, David Falcone, Stephen Longo, Sidney MacLeod, Janine Mariscotti, Margaret McCoey, Lynn Miller, Elizabeth Paulin, William Price, David Robison, Stephen Smith, Scott Stickel, Thomas Straub, Lynne Texter, Joseph Volpe, Bonni H. Zetick, and Patti Zuzelo.

Anyone who wishes to address the Senate or suggest an agenda item should contact Professor Beth Paulin, current Senate President, at paulin@lasalle.edu, approximately two weeks before a scheduled meeting.
